

How can I register my child for the WSB?

To register your child for the WSB, send an email to walkingschoolbus@scyofbc.org. If there is an open space in the Walking School Bus at your school, we will send you the registration form.

To participate, does my child need to walk with the bus every day, AM and PM?

We know that participants are going to have commitments before and after school on certain days. When registering your child, you will have the option to select which days of the week they will join the bus. A participant will not be required to walk with the group Monday - Friday, AM and PM.

How many children can join a WSB route?

The capacity of a WSB group is limited by the availability of Walk Leaders. Each WSB must have an adult to child ratio of 1:8, with more Walk Leaders needed depending on the walking distance and the ages of the participants. The more Walk Leaders that a group has, the more student participants can join the group.

For more information on what Walk Leaders are and how to participate, see below.

What is a WSB Walk Leader?

If the group of children walking to school are the 'bus-riders', the Walk Leaders are the bus conductors. They typically walk at the front of the group, setting the pace, ensuring the group's safety and promoting good pedestrian behaviour. In larger groups, the second Walk Leader takes up the back of the bus making sure everyone stays together.

The WSB relies on adult leaders for their commitment, energy, care and good judgment to make a positive impact on the lives of children. In some cases, the Walk Leaders will be paid for their time leading a WSB, and in others this is a volunteer position.

Who can be a WSB Walk Leader?

Anyone who is interested in working with children, active transportation, giving back to their community and environmental sustainability is a great fit for a WSB Walk Leader! Most often, Walk Leaders are volunteers from the local and school community.

We ask that all Walk Leaders commit to a minimum of 1 shift per week. Typically, each shift is approximately 45 minutes – 1 hour. There are shifts both before and after school.

All Walk Leaders must attend a training session prior to their first shift. Walk Leaders will be provided with training manuals that outline their responsibilities and WSB protocol. These resources will go over pedestrian safety, group management strategies, emergency protocols and more.

Note: All Walk Leaders will need to undergo a Police and Vulnerable Sector Check.

How can I become a WSB Walk Leader?

“I am a parent or guardian of a child(ren) at a participating school”

- Indicate your willingness to volunteer and availability when completing your child(ren)’s school’s WSB registration form.

Please note – if you have already done this, nothing more is needed at this time!

“I am **not** a parent or guardian of a child at a participating school, and I want to volunteer as a WSB Walk Leader”
